

**WE'VE BEEN VISITED BY THE
FRIENDLY GHOST OF OLD EAST!**

GOOD EVENING!

Your house has just been ghosted! You must deliver a treat to at least two neighbours within 24 hours and post the ghost on your door or window until halloween. This will bring you good goblins and friendly smiles.

When you deliver your treat, be sure to include a copy of this letter and a ghost poster.

Deliver your treats secretly to homes that have not already been ghosted. Wait for dark, be sure that someone is home, ring the doorbell, and RUN. Don't be seen!

Have fun—let's see how much of Old East we can *ghost* before halloween!
